

Project UMANG

Towards SDG 4: Quality Education

**Creating Vibrant school cultures
in select government schools in Nagaur
district**

of Rajasthan (2023-2025)

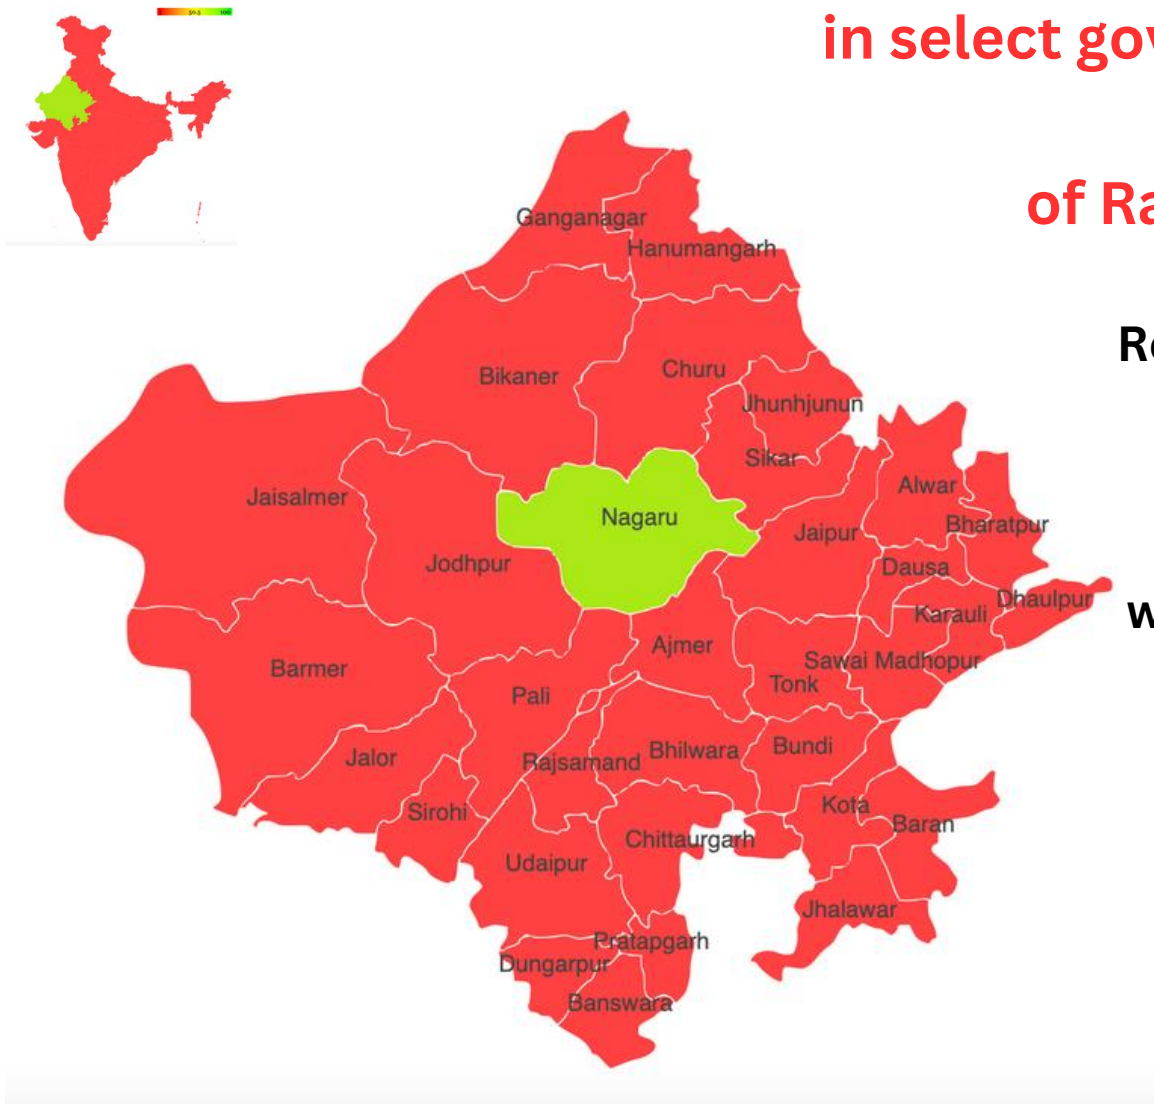

**(Scientific Social
Responsibility Project)**

**with support
and through
collaboration**

with JSW Cement Ltd.

PI: Dr. Rachel Philip,
School of Liberal Arts

Co-PI: Dr. Gopakumar
School of Liberal Arts

Project UMANG

- Project Umang focusses on **improving the overall learning experiences** in the selected school. Under the project, **STEAM labs** (Science, Technology, Engineering, Arts and Maths) will be established.
- The project also ensures improvement in the **school infrastructure, overall health and wellbeing** with targeted leveraging partnerships.
- The project will impact the lives of **more than 1200 students** of government schools of Nagaur.
- **The project is supported by JSW Cement Ltd.**
